## **About The Oviatt**

The Oviatt is an Art Deco dream penthouse and rooftop two-level terrace wedding venue in Downtown Los Angeles, California. Chic and sophisticated, the luxurious then residence was originally built in 1928 as a lavish penthouse for roaring 20's king, James Oviatt. In honor and preservation of The Oviatt's history and ornate charm, the space continues to welcome celebration, good times, and once-in-a-lifetime parties.

## **Facilities and Capacity**

Defined by its opulent ambiance, The Oviatt exudes an authentic sense of old-world charm and luxury. Inside the penthouse couples will find a study, living room for gathering, an elegant bedroom used typically as a "getting

ready room," and a true art deco bar and cocktail lounge. Outside overlooking the city, couples usually say "I do" and throw a big dinner and dance party on the two-story rooftop terrace.

Interior features include Lalique glass decor, mahogany furniture, parquet wood floors, and many carved woodworks. Despite a seemingly niche aesthetic, the rooms have a high degree of flexibility for you to incorporate your own sense of style. Outside, the terrace is spacious and provides panoramic views of Downtown Los Angeles surrounded by city lights once the sun sets.
